

“SMOKE SCHOOL”

Eastern Technical Associates (ETA) in agreement with the Michigan Department of Environmental Quality, Air Quality Division will hold a Visible Emissions Evaluation Field Certification and Classroom Lecture Program in two locations.

Detroit Area – April 12-14, 2005 Field Certification will be at the Maybury Urban State Park (Hickory Shelter area), south of Novi, with classroom at the Holiday Inn Livonia West (new location).

Grand Rapids Area – April 19-21, 2005 Field Certification will be at the Deltaplex in Walker, MI, with classroom at the University of Phoenix, Grand Rapids.

ETA will be sending announcements of the school to state and federal regulators, local air programs, industries and utilities. You may also check ETA's website at:
